COLLECTION 2024

**CERESER**  
VERONA

A full-page background image showing a vast mountain range under a sunset sky. The sun is low on the horizon, casting a warm orange glow across the sky and illuminating the tops of the clouds. The mountains are dark and silhouetted against the lighter sky and clouds. The clouds are thick and white, filling the valleys and surrounding the mountain peaks.

COLLECTION 2024

A vertical rectangular sample of Azzurrite stone. It features a complex, wavy pattern of blue and beige veins. The blue veins are more prominent and form a central, slightly irregular column, while the beige material fills the surrounding spaces, creating a marbled effect.

  
AZZURRITE

CERESER  
EXCLUSIVE  
COLLECTION

A vertical rectangular sample of Jurassic Grey stone. It has a dense, granular texture with a mix of dark grey and light grey tones. A prominent, slightly curved white vein runs diagonally from the upper left towards the lower right, adding a striking contrast to the overall grey palette.

  
JURASSIC GREY

A vertical rectangular sample of Quarzite Celeste stone. It displays a layered, almost fibrous texture in shades of grey and blue. Thin, golden-brown veins are interspersed throughout the material, particularly visible on the right side, giving it a rich, mineral appearance.

ATLANTIC LAVA STONE

A close-up photograph of Atlantic Lava Stone, showing a dark grey, highly textured surface with numerous small pits and a prominent diagonal crack running from the bottom left towards the center.

TIFFANY

A close-up photograph of Tiffany marble, featuring a light grey base with dark, wavy, and somewhat chaotic veining patterns in shades of grey and black.

BLUE ROMA

A close-up photograph of Blue Roma marble, characterized by a light blue-grey background with prominent, flowing veins of golden-brown and dark brown, creating a complex, organic pattern.

VERDE SALVAN

A close-up photograph of Verde Salván marble, showing a dark grey, speckled texture with irregular patches of lighter grey and white, giving it a mottled appearance.
